

EASTERN STAR HOME AND STAR COURT SUITE NEWS

You scream, I scream, we all scream for ice cream. Homemade strawberry, chocolate, and vanilla were the choices Lisa Haigh, Maxine Stemper, Everett Randall made for the residents to pick from. Some couldn't chose so they sampled all three.

We enjoyed an afternoon of music with David Redfield on Wednesday. All those attending were reminiscing and wishing they still had their dancing shoes.

Our fancy fingers are styling Color Street nails or fun polish colors. Kaylyn Richmond of Aberdeen a Color Street Stylist came and helped apply some of the nail options. It was each residents choice to pick what they favor.

Bingo was played with Elaine Jessen on Saturday afternoon and the movie The Egg and I was watched in the evening. It was great having a nice attendance at the Sunday Worship Service lead by Ray Dunn, son of our resident Alice Dunn.

National Bird Day was celebrated around the Aviary in the Assisted Living dining room. So many fun facts and trivia were shared. Tuesday we had Dave Willis with us for our Men's Table Time, next week Larry Eldeen and Al Felchle will be our table guests. Join us today for music with the Frankfort Trio. We really enjoyed having Dorothy Krog the past few months as a solo act, but Dan & Karlan Bickenese are back after a little break over the holidays so we will have the full trio up and going again.

Thursday after the Congregational Church DVD we will have the Gilbert Gals making rosettes for us to sample. Friday we will watch the Tulare Church DVD followed by an afternoon of dolls collections. Everyone is encouraged to bring a doll that is special to them and share a little about it. Saturday Toni Evans will be our bingo caller and the movie The Little Princess will be watched that evening. The Sunday worship will be lead by Pastor Tammy Toepke Floyd.
