

EASTERN STAR HOME AND STAR COURT SUITE NEWS

This week we started out with Martin Luther King Day trivia with Abby Evans sharing in the Star Court Suites and Marsha Hofer in the Nursing Home. On Tuesday we played our favorite game of bingo with quarters as our prizes. The quarters come in handy when shopping at our DG Country Store for the little necessities we may need.

Today we will be reading from the Redfield Press followed by a hymn sing. Thursday morning we will join together for rosary and in the afternoon we will hold cooking class. The popcorn popper will fill our home with the aroma of delicious fresh popped popcorn. Our activity director found three recipes to try kettle corn, peanut butter and jelly popcorn and pizza popcorn. A birthday celebration for Carol Ragatz on Friday will help make her day special. On Saturday we will have bingo and a Hallmark Movie. On Sunday our Worship will be held in the Chapel with Pastor Brian Wasmoen leading us. Danielle Nowell a Junior from the Hitchcock/Tulare High School entertained the Nursing Home residents last week and this week she will entertain the residents in Star Court Suites.

Thank you to all of you that have been so kind to send cards, table favors, make phone calls, send treats and come in for indoor patio visits!! Check out our Facebook page for pictures and upcoming activities.
