

EASTERN STAR HOME AND STAR COURT SUITE NEWS

Redfield Pheasant Homecoming Week is fun for all ages. To get us in the Pheasant Spirit the Redfield High School Students decorated our windows. Kayla Haigh drove three of our retired registered nurses from our facility Mary Goodwin, Leona Becker and Maybelle Rabuck through the parade. Their nursing attire completed our theme "Pheasant Operation Game of Skill over the Red Raiders". Several of the residents bundled up to watch the parade. Thank you to the Redfield Investment Agency for providing a space for our resident to enjoy the parade.

After the Redfield Press was read last week we enjoyed the RHS Reunion Choir Concert DVD so much we watched it twice, then that evening Marsha Hofer led us in bingo. Saturday Lyn Flint was our bingo caller for the afternoon and the night movie was "The Last Time I Saw Paris". Pastor Tammy Toepke Floyd lead our Sunday Worship Service, next week we will have Pastor Lorah Houser Jankord with us.

SD Curiosity Trivia got our minds thinking, we learned all sorts of things. Just like the men at Tuesday Table Time, with Dick Hoffart this week and Dave Willis next week.

Join us today for the reading of the Redfield Press at 2:30pm followed by music with Tom Pickles. Friday, October 5th we will celebrate Violet Miller's birthday at 3pm. Monday, October 8th we will look forward to the presentation by our Administrator, Debbie Bowar and our Director of Nursing, Amy Turner's of their trip from the Dakota's to the Redwood Forrest.

Thank you so much to everyone that donated fresh produce for us to enjoy, it means so much to have you think of us.
