EASTERN STAR HOME AND STAR COURT SUITE NEWS

This week at the Eastern Star Home we had trivia on Monday afternoon. It's always fun to learn new little tidbits of knowledge. Bingo on Tuesday is always a favorite time. Our residents were given their own bingo cards in March to use through this pandemic so they have pretty much memorized them, making it another challenge. Today we will be reading the Redfield Press at 2:30pm and at 3:00pm we will be enjoying a Molly B Polka Party with ice cream and several toppings options. The toppings are strawberries, peaches, apples, oreos, chocolate bits, chocolate mint chips and M&M's. Tonight Abby Evans will be our night time bingo caller. On Thursday we will have the aroma of fresh hot buttered popcorn filling the building as we prepare for our movie "RV" starring Robin Williams at 3pm.

The Eastern Star Home has been selling Rada Products for many years and with our doors being closed to the public our sales have been down. So we have started online sales by going to our Facebook Page and using our link. For our Friday afternoon activity I had thought is would be fun for the residents to see all the products options. All the proceeds from the Rada sales goes towards our activity fund.

Saturday we will have bingo at 3pm and a happy ending Hallmark Movie at 7:15pm.   Sunday our spirits will be lifted as we have Pastor Adrian Timmons lead our worship service at 3pm.   It was so nice to meet Pastor Paul and Melissa Rowenhorst last Sunday as they offered us communion along with the worship service. A special thank you to our clergy for working with us to social distance so we can still receiving the word of God.

We currently have two locations inside and two locations outside where we can safely social distance to visit with our loved ones. So no matter the weather we can help you arrange a time for an hour visit any day of the week. Just call us at the Eastern Star Home at 472-2255.
