

EASTERN STAR HOME AND STAR COURT SUITE NEWS

We have been busy preparing for the 2018 SD Grand Chapter Session that will be held in Pierre this week. You still have time to purchase chances today before 2pm on our Chinese Auction Theme Baskets that we will be taking as a fundraiser for a new medication cart. With the help of our creative residents, staff and volunteers we have several projects packed up and ready for our craft table. All the proceeds will go towards activities for the enjoyment of our residents.

Fancy feet seems to be a popular activity for many of the residents. Lyn Flint, Lisa Haigh and Marsha Hofer worked their best to pamper them with lotions, wine, chocolate and fellowship. Thank you Sheryl Kloss for joining us for the added conversation. Friday afternoon Violet Miller celebrated her birthday with chocolate cake and ice cream with family and friends. Her great niece and nephew even sang "Happy Birthday" to her. After the party even though it was only 45 degrees out some of the residents bundled up for a deck party. Thanks to a generous donation from Marlis Freeburg a deck was built by the cottage by Daryl Schutte and Russell Jessen. So before winter we thought we better break it in with snacks, beverages and laughter.

Saturday our Director of Nursing Amy Turner called afternoon bingo, and the evening movie was "The Shell Seekers". Pastor Lorah Houser Jankord lead our Sunday Worship Service and served communion.

"A Trip from the Dakota's to the Redwood Forest" was brought to us from Debbie & Kinsey Bowar and Amy & Jadie Turner on Monday. They had a great time on their vacation and they wanted us to enjoy it just like they did with snacks, pictures and souvenirs. We will look forward to where they go next year.

Tuesday's Men's Table Time guest was Dave Willis and next week it will be Russell Jessen. This afternoon we will enjoy the movie "Mama Mia", popcorn and pop.

Follow us on our facebook page and mark November 15th on your calendar for our Annual Vender Fair 10am-4pm in the Masonic Building.
