

EASTERN STAR HOME AND STAR COURT SUITE NEWS

This Halloween our ESH Haunted Hallway was visited by 474 trick or treaters in every costume imaginable along with 281 supervising adults. Our 19,000 pieces of candy made it through the evening with enough left to give the residents and staff their candy fix the next day. We had several costumes added to our costume collection to pick from thanks to Wendi Owens. Our staff had fun dressing up our residents and themselves to add a little more Halloween to the atmosphere. We started our day with visits from Heather's Day Care and Jackie's Day Care. After dinner the Redfield National Honor Society students brought the Redfield First Graders in costumes through our Haunted Hallway. It's so nice having them come visit they sure can bring out the smiles in our residents. Carol Carlson and Pam Schmidt organized the appetizers staff and volunteers had prepared for our Halloween Happy Hour. We had ghost cookies, pumpkin fluff, spider and monster deviled eggs, frozen eyeballs, pumpkins, caramel corn, avalanche cookies, bat bread, chips, bread pudding bits, candy and eyeball cookies. It seemed to tide us over till we had our sack lunch supper when the Haunted Hallway ended.

Last week we had a Wednesday afternoon of piano music by Paula Tollefson of Hitchcock. We celebrated Zelda Klebsch's birthday with angel food cake and strawberries on Friday and Debbie Bowar called our Saturday Bingo. Pastor Brian Wasmoen lead our Sunday Worship Service and communion.

Monday we had our Color Street Stylist Kaylyn Richmond come and fancy up our residents finger nails. Tuesday's Men's Table Time guest this week was Dave Willis followed by bingo. Today Lyn Munce is the accompanist for our Happy Day sing a long in the nursing home dining room. Any singers are welcome to join us. Thursday we will be celebrating Duane Mason's birthday at 3pm and Friday we will be using our creativity for rubber stamping art. On Monday, November 11th we will have toe tapping accordion music by the Red Suspender Band of Watertown.

Look at our Eastern Star Home Face Book page for pictures of our latest activities.
