

EASTERN STAR HOME AND STAR COURT SUITE NEWS

The Eastern Star Home was filled with beautiful music by the Yelduz Shrine Chanters during our Annual Christmas Open House on Saturday. This is a day we all look forward to. We start with makeup & having our hair done courtesy of Susan Baxter, individual photo shoots, dinner, a musical performance by the Chanters and last but not least Christmas goodies and punch. A huge thank you goes out to our wonderful volunteers and amazing staff, you all made the day go so smoothly. The residents were so happy and festive.

This week we have enjoyed more Christmas activities with Christmas Cookie Decorating and rides around town to see the Christmas lights.
