

EASTERN STAR HOME AND STAR COURT SUITE NEWS

Our Sunday afternoon started off with a wonderful Worship Service lead by Pastor Todd Bowers. As we closed in prayer we could smell a variety of appetizers. The Tulare Oasis Star Chapter helped host our 2022 Super Bowl Party. Judy Wagner and Beth Price came around with a cart full of beverages of choice, while John Buchholz was manning the deep fat fryer. He was frying up the hush puppies and mini corn dogs while Robin Buchholz was setting up the table full of appetizers. There was a meat 'n cheese tray, crackers, Super Bowl Party mix, puppy chow, tortilla roll ups, chocolate candy, rhubarb bars, kuchen, pickled herring, chex mix, meatballs, hush puppies, mini corn dogs, spinach dip, popcorn, cheeseballs, carmel puff corn, peanuts and funyuns. Ok maybe we ruined their appetite for supper but the Super Bowl does only comes once a year.

Not only did we celebrate the Super Bowl with the Tulare Star Chapter but we celebrated Valentine's Day with the help of the Redfield Star Chapter. Their members helped with the games, lunch and fun. It was so nice to have their help. The 2021 Redfield Area Snow Queens Breanna Roth and Brooklyn Rische came to crowned the 2022 Valentine's Day King and Queen. Check the Redfield Press next week to find out who was chosen as our 2022 King and Queen.

On Tuesday we played bingo and today we are listening to music through the ages from our vinyl records after reading the Redfield Press. Thursday morning we will have rosary at 9:30am and at 1:30pm we will listen to the Our Saviors Lutheran worship service online. Our 3pm activities is playing dice and cards. For our afternoon activity Friday we will be having "It's Five O'Clock Somewhere". There will be Chex party mix on each table and an open bar will be offered with fuzzy navels as our special drink of the month.

This weekend we would like to wish Bob & Vonnie Woodring a Happy 56th Anniversary. We will be playing bingo with Elaine Jessen Saturday afternoon and the Sunday worship service will be lead by Renae Polidori at 3pm.

All of us here at the Eastern Star Home hope you had a wonderful Valentines Day. We sure did with the fun Valentines from the Tulare United Church preschool to the 6th grade Sunday School Classes, our

Worthy Grand Matron Karen Willis and from a Daisy Girl Scout Troop. The Redfield and Tulare Star Chapters also sent Valentines goodies for all the residents and Max Waddington's family made decorated cookies for us. We are blessed with such generous and caring people. Follow our Facebook Page for the pictures of our week's activities.
