

## **EASTERN STAR HOME AND STAR COURT SUITE NEWS**

The snow storm kept us close to home last week with plenty of inside activities to keep us distracted including watching Daryl Schutte remove a lot of snow. We celebrated two birthday parties Eileen Gabler on Monday and Melva Olson on Friday. Both ladies picked their favorite birthday treats to share with their family and friends attending. Bobbie Turner was our guest for Men's Table Time and they enjoyed listening to what's happening on the farm. Thursday Mom & Max decided to stay off the roads and stay home so our Activity Director Lisa Haigh filled in for our March Tasting Time. She made Irish Rueben Pockets which we ate with potato chips for National Potato Chip Day. Our Administrator Debbie Bowar called Saturday bingo, she even shook things up a bit with "Cry Baby Bingo". Following the last game of black out she lead them in group exercise time a favorite time for some of our residents. The Sunday Worship Service was lead by Pastor Tammy Toepke Floyd from the Redfield Congregational Church. Monday the Gilbert Gals made Shamrock Shakes for everyone and we enjoyed a little St. Patrick's Day fun. Tuesday Marsha called bingo and Wednesday we'll read the Redfield Press followed by music by the Frankfort Trio. We missed them last month because of bad weather so we are hoping the weather cooperates this week.

We are fortunate to have the Gilbert Gals twice this week. On Thursday they will be serving a springy dessert followed by an afternoon of table games. Friday we will have Pam Schmidt join us in playing a favorite card game of Kings in the Corner. And Saturday we will have bingo and in the evening we will watch "Adventures of Huckleberry Finn". Everyone is welcome to join us at our Sunday Worship Service at 3:15pm lead by Ted Price.

Stop in for any of our daily activities at 3:00pm, we'd enjoy having you.
