

## **EASTERN STAR HOME & STAR COURT SUITES**

For the March 28<sup>th</sup> REDFIELD PRESS

We eagerly welcomed the season of Spring at the Eastern Star Home the past week with lots of fun and exciting activities. One of the highlights was the celebration of Earl Schultz's 98<sup>th</sup> Birthday on Friday afternoon. He was delighted to have so many relatives and friends present for his party. Earl chose Root Beer Floats to be served to all in attendance.

It was wonderful to have the Frankfort Trio back this month to entertain us with their special music on Wednesday afternoon. Our residents enjoyed a fun Wednesday evening activity as they enjoyed Roasting Marshmallows around the dining room fireplace.

Ron Dvorak was our special guest during our Tuesday afternoon Men's Table Time. We thank him for bringing old high school yearbooks from the Historic Redfield Depot to share with our men. What a wonderful time they had reminiscing over memories from the past.

We had a big crowd out on Thursday afternoon as we had some "Fun with Potato Chips". It's amazing how many varieties are available today and we enjoyed taste-testing them all! Curiosity Trivia of South Dakota followed by Artistic Touch drew many participants on Monday. Tuesday and Saturday afternoons found us playing Bingo with Marsha Hofer and Toni Evans serving as our Bingo Callers.

Pastor Todd Bowar from the Tulare Baptist was our worship leader for our Sunday afternoon Chapel Service. It has become a weekly tradition to gather together in the nursing home dining room following Church for a time of Coffee Fellowship. We thank our family members and guests from the community for promoting this event each week.

Please join us this afternoon for our March Happy Hour beginning at 3:00 PM in the nursing home dining room. We always look forward to having guests join us as we enjoy our favorite beverages and appetizers. Our Wednesday evening activity will be Easter Bingo beginning at 7:15 PM.

Thursday, March 29<sup>th</sup> is the Opening Day of the Major League Baseball Season. Everyone is invited to wear Baseball Attire all day and join us for our afternoon activity with the theme of "Let's Play Ball!". We also look forward to visits from the morning and afternoon Head Start classes as well as Nursing Home Resident Council beginning at 11:30 AM. A special Easter Party is planned for Friday afternoon beginning at 3:00 PM.

Please check out the Eastern Star Home FACEBOOK page and be sure to LIKE us. Many pictures are posted of fun times at our facility. Also, be watching for the April Calendar of Events shared on our FACEBOOK page.
