

EASTERN STAR HOME AND STAR COURT SUITE NEWS

The largest number of employees working here at the Eastern Star Home and Star Court Suites is in the 14 -19 year old age bracket. They are 13 of our co-workers and our hearts go out to them as they are missing out on so many School and Community Events. We thought we could help create memories by having our own Grand March here at the Eastern Star Home. The girls will model their prom dresses and the guys will escort them. We did change things up a bit and invited our staff to bring in their prom dresses from their high school days and the girls will model them for us also. This will take place Friday at 3pm. We will take videos and pictures so you can see them too.

Monday we celebrated Dorothy Thompson's 91st birthday with a special cake recipe she requested from the dietary department and it was delicious. Marsha Hofer called bingo for our Tuesday afternoon activity. Today we will read what's happening in the area from the Redfield Press at 2:30pm and at 3pm we will have soft pretzels with their choice of topping cheese or cinnamon and sugar. They were furnished by the Gilbert's in memory of Delores Gilbert her birthday would have been today. Tonight we will have our night time bingo.

Thursday we will have rosary at 9:30am, online church service with Our Savior Lutheran Church at 1:30pm and a potluck Happy Hour at 3pm with hot wings donated by the Alice Dunn's family. Debbie Bowar will be our Saturday Bingo caller. Our residents won't want to miss it because you never know how she will change things up to add a little spice. "Odd Life of Timothy Green" will be playing Saturday Night at 7:15pm. Sunday church Service will be with the First Congregational Church in the chapel.

Please feel free to call, facetime or messenger us, window visit or now that the weather is so nice join us on the patio at a social distance. All of us here at the Eastern Star Home and Star Court Suites miss you all and wish you well.
