

EASTERN STAR HOME AND STAR COURT SUITE NEWS

We had a Mother's Day weekend filled with window visits, phone calls, lots of mail and Facetimes. Our Home is adorned with beautiful flower bouquets from their loved ones for everyone to enjoy. Our families have been absolutely amazing. Words can not express our appreciation for all they have done for us. These past weeks they have showered us with carmel rolls, pie, ice cream cones, banana splits, Girl Scout cookies, bakery rolls, s'mores, rootbeer floats, hot wings, soft pretzels, DQ ice cream cakes, pizza, cupcakes, flavored ice cream, bingo prizes and lots of praise. Several resident families adopted a staff member through The Country Classics and all 63 staff received a beautiful succulent arrangement. Thank you so much Janet and Terry Kegler for putting this together.

Monday the resident had room service in a different way. The activity director went to each room to fancy up the fingernails with polish or Color Street Nails. A great time to one on one with them to catch up on what's going on in their lives. Tuesday we had bingo with Marsha Hofer calling. Today we will be reading from the Redfield Press followed by an online concert with music by Danielle Nowell a Junior at the Hitchcock - Tulare School. Thursday we will be reminiscing about Mothers for an afternoon of fun. Domino's will be played on Friday. This is always a relaxing time as long as you aren't stuck with a lot of dominos to count at the end of the game. Marsha Hofer will be the Saturday bingo caller and the movie for the evening will be "The Incredible Mr Limpet". At 7pm on Saturday the Redfield School District is inviting the community to attend the Parade of 2020 Seniors. They will be parading down main street, by the hospital, the Nursing Homes and the Assisted Living Facility. We are so proud of our 6 graduating senior staff who will be participating in the parade. Sunday Worship Service will be online with Pastor Lorah Houser Jankord of the Tulare United Church in the designated dining rooms.

All of us here at the Eastern Star Home and Star Court Suites are well and wish each and everyone of you the same.
