

EASTERN STAR HOME AND STAR COURT SUITE NEWS

With Father's Day coming up this weekend it was great news to hear that we are able to participate in patio time visits. When you call to schedule a visit in one of the available time slots the staff will run through the requirements of the visit. The residents are looking forward to the fresh air and seeing their loved ones.

On Monday we put our minds to work with brain teasers and trivia. Tuesday was an afternoon of delicious pie from Leo's furnished by the family of Don Schade. Following that tasty treat we played bingo with Marsha Hofer calling in the Nursing Home and Lisa Haigh calling in the Assisted Living.

Today we have a special treat of a piano concert with music recorded for us by Paula Tollefson from Hitchcock, SD. We miss not having her here with us but this is the next best thing. Following the concert we read the Redfield Press and after supper we played night time bingo. Thursday we will hold rosary at 9:30am and listen to the Congregational Sunday Church Service online at 1:30pm. We have a double birthday party in the afternoon at 3pm with Duane Sanger and Kenny Avery. They chose angel food cake with cool whip and strawberries as their birthday treat choice. On Friday the Tulare United Church Service will be watched before the Fathers Day Party. We will have a special treat for our fathers and share memories as we reminisce of the Good Old Days. Bingo time and the movie "Mirror, Mirror" will fill up our Saturday and Sunday at 3pm we will join together to worship with Pastor Brian Wasmoen online.

Next week we will be having three birthday parties. Bill Arthurs and Eldie Haskell will celebrate on June 22nd and June 26th Delbert Bushong will celebrated his birthday a day early at Happy Hour. Follow us on our Eastern Star Home Facebook page for our upcoming happenings, pictures and videos.
