

EASTERN STAR HOME AND STAR COURT SUITE NEWS

As I write this Redfield Press article it is raining out. Our new patio outside the Assisted Living has been completed and is quite wet at the time but welcomes everyone to come enjoy the fresh air, green grass, beautiful flowers and trees that brighten the yard around our Eastern Star Home.

This week Deb's Day Care Kids journeyed over for our Monday afternoon activity, we always enjoy seeing the little ones. Instead of men's table time we gave the men van rides around the area. The Aberdeen Star Chapter will be hosting an afternoon of bingo and ice cream sundaes on Tuesday at 3pm.

We will be celebrating Happy Hour with Eldie Haskell's birthday this Friday at 3pm. Kenny Avery will be the guest of honor at his 90th Birthday Open House at 2:30pm Saturday in the Nursing Home dining room, everyone is invited. The Gilbert Gals will be making homemade milk shakes for National Milk Shake day on Thursday afternoon. The movie showing for Saturday Movie Night will be "More than Puppy Love" and Sunday Worship Service will be lead by Pastor Marty Toepke Floyd.

We will start out next week relaxing with fancy feet in the am so we can enjoy the dancing feet of the "Core Kinetics" dancers Monday afternoon at 3pm.

We are so pleased the Spink County 4-H's will be hosting their 2019 Fashion Review in our Chapel on June 25th at 3pm. Everyone is encouraged to come see what our area youth have been up to. They will be happy to visit with you while they serve ice cream sundaes following. Today we will have entertainment with Dorthy Krog on her auto harp with the good old favorites.
