

Eastern Star Home and Star Court Suites – Redfield Press Article June 27th

The Eastern Star Home residents and staff were out and about last week. Several residents went on van rides with Marsha Hofer around Redfield checking on the progress at the Redfield Public School and changes around town. They commented on how green everything looks. Amy Turner, Lisa Haigh and Marsha Hofer took three vans of residents and headed to Aberdeen Sunday to attend an afternoon of music. The “Sounds of Summer” featuring chanters from three temples, Yelduz Chanter of Aberdeen, El Riad Chanters of Sioux Falls and KEM Chanters of Grand Forks performed several selections, separately and combined as a fundraiser for the Twin Cities Shrine Hospital.

The Spink County 4-H Fashion Revue was held on Tuesday, June 19th in our Eastern Star Home Chapel. The theme was “Parade of Fashions” as they modeled their constructed outfits and savvy challenges. We all enjoyed seeing the new fashions. The models served us ice cream sundaes they provided. Thank you so much for letting Eastern Star Home and Star Court Suites be a part of this event.

We just never know what the Gilbert Gals will come up with. This week they brought us “A Good Old Summer Time” afternoon with trivia, poetry, music, an adorable vegetable garden dip and homemade watermelon sherbet.

Other activities through out the week were arm chair yoga, men’s table time with Randy Schwab from The Depot, bingo on Saturday with Amy Turner, Sunday Church Service with Pastor Brian Wasmoen, and a birthday party with root beer floats for Kenny Avery. This week Rolla Binger and Dwayne Stoner will be our guests at mens table time. Join us for Happy Hour Wednesday. Everyone is welcome to join us for any of our activities at 3:00pm.
