

EASTERN STAR HOME AND STAR COURT SUITE NEWS

Birthdays are a big deal at the Eastern Star Home. We make sure our residents get a party along with their favorite birthday treat. Last week our coworker Marsha Hofer celebrated her birthday with us by being the Wednesday Night Bingo Caller. The prizes of the night were a variety pack of candy bars.

Music and laughter filled the dining room Wednesday when Pastor Steve & Hazel Behrens of the Hitchcock United Methodist Church shared their musical talents. Fancy feet was a well attended activity Thursday. Who wouldn't want to miss great conversation, pedicures, massage, wine, and music? They leave looking forward to five more weeks when we hold fancy feet again. Happy Hour was a time to relax for the week with meat, cheese 'n crackers, chips 'n salsa, pizza, seasoned crackers, chocolate cupcakes and your beverage of choice. Kayla Haigh the weekend manager called bingo and lead group exercises Saturday afternoon and in the evening the movie "Dreamer" was watched.

Along with all the visitors coming to visit for Memorial Day we enjoyed grilled hamburgers and hotdogs for dinner. Thank you to the Administrator Debbie Bowar and Activity Director Lisa Haigh for running the grills. Memorial Day Trivia and Name that Memory brought much reminiscing in the afternoon.

Tuesday afternoon we took an arm chair trip to Florida with Creighton Bowar. Its always fun to see and hear about different places people travel. If you ever go on a trip and would like to share it with us we would really enjoy that. Just let us know.

Penny Ihnen and Onilee Siebrecht will be joining us today for fun inspirational music at 3pm and bingo at 7:15pm. We have rosary the first, second, third and fifth Thursday of the month at 9:30am in our chapel lead by Marvin Manning and Jerry Zens.
