

## Redfield Press Article for July 18th

We had quite the afternoon of entertainment for our patio full of residents, family members, and Deb's Daycare Kids as they cheered on the contestants for the ESH Chopped Competition. We had three teams of very skilled and experienced ladies competing. Our 2017 Champion Team was back Elaine Jessen & Laurie Gabriel "The Lucky Ladies", Debbie Bowar & Kayla Haigh and Sheryl Kloss & Maxine Stemper. Our panel of judges Paula Ames and Peg Brooker had a difficult time choosing the 2018 Winners. They judged on creativity, using all 5 ingredients, flavor, texture and presentation. The rules for the competition were must use all 5 ingredients in your basket, no cell phone use, can only use items available to you, and must complete in 60 minutes. They were presented a basket filled with chicken breasts, fresh green beans, twinkies, pitted cherries and wonton wraps. Their cooking equipment was a deep fat fryer. The 2018 winning team Sheryl Kloss & Max Stemper made chicken wonton wraps, herbed green beans and cherry stuffed twinkies with a glaze. Congratulations and thank you to the competitors, we all enjoyed sampling their creations.

Eileen Peacock along with her husband came from Elkton, SD to bring us an afternoon of music and interaction with the residents. Many smiles, and memories were sparked with their music.

Mens Table Time had a great turnout for Bob Curtis as our special guest. They visited about all the water in Spink County and how the animals survived the winter. Thank you Bob! If any men would like to come to join us as the special guest at mens table time give Lisa Haigh a call to schedule an upcoming Tuesday.

Roger Eschenbaum had an enjoyable 82nd birthday party with his teacher friends joining him and our residents and staff for lemon glazed cake and ice cream.

We had our favorite Bingo three times this week with Marsha Hofer and Kayla Haigh as the callers. Join us today for a special treat of Harp music at 3pm with our residents grand daughter Naomi Hull and Naomi's uncle Bob Seaton. Join us anytime our coffee is always on.
