

## **EASTERN STAR HOME AND STAR COURT SUITE NEWS**

If you drove by the Eastern Star Home patio last weekend you probably saw some busy activity there. Saturday morning our CNA Hailie Stuck had her mother Michelle Stuck along with her nephew Brently bring in her 4-H sheep. The sheep sure brought smiles to our residents and brighten up their day. Besides the many patio visits we had over the weekend we also enjoyed having Pastor Ted Price lead our Sunday Worship Service. It was a warm day but the gentle breeze presented a perfect afternoon for song and worship.

Artistic Touch was the activity on Monday getting our creativity going. Tuesday was bingo followed by story time "Marley & Me" in the lobby. Today we will be taking van rides around the community and will have night time bingo. Thursday we will have rosary in the morning, Congregational Church Service online in the afternoon followed by Cooking Class with Lisa Haigh. We will join together again on the patio Friday for music by our Assisted Living Aid Briana Garrett.

Our weekend will be filled with bingo, a Hallmark Movie, and worship online with the Redfield Wesleyan Church. Next week we are looking forward to our County Fair Week here at the Eastern Star Home. Follow us on Facebook and see pictures of our County Fair activities.
