

EASTERN STAR HOME AND STAR COURT SUITE NEWS

This week at the Eastern Star Home and Star Court Suites we started with a patio visit from Karen Harr and the 4-H Dogs competing at Spink County 4-H Achievement Days. It was great to see the kids with their dogs. Throughout the day on Monday Lisa Haigh visited the resident rooms for fancy fingers. Some request just a trim and file while some want a little color. A Lawrence Welk DVD will be playing in the dining room in the afternoon while people wait and visit. Tuesday we enjoyed bingo followed by story time on tape of the book "Marley 'n Me" in the front lobby.

Today we will be celebrating the birthday of Elnora Burdick at 3pm and reading the Redfield Press. Tonight we will have our favorite night time bingo for all the bingo players. Thursday we will have rosary at 9:30am, Church Service online with Jeff Luce at 1:30pm, and Joan Crook will be celebrating her birthday with a party at 3pm. On Friday the Tulare United Church Service will be online at 1:30pm in the nursing home dining room. Our afternoon will be filled with a delicious soft serve ice cream social. We currently have chocolate, vanilla and twist. There will be toppings of their choice to change things up a little bit. Saturday bingo is in the afternoon and a Hallmark Movie time in the evening. Sunday Worship will be online with the Congregational Church Service by Pastor Tammy Toepke Floyd. She was back in Redfield celebrating with some of the graduates.

We hope all is well with everyone and we want you to know we miss seeing you all. Follow us on our Facebook page at "Eastern Star Home" for our latest happenings.
