

## Eastern Star Home & Star Court Suites News for September 12th

Our Eastern Star Home & Star Court Suites residents are always ready for a busy finger project. Last week the wood project "Choose Joy" kept our fingers busy. When we get together we get a lot done in no time at all.

The dining room filled up Wednesday when Tom Pickles came to share his country and gospel music with us. Wednesday evening Marsha Hofer called bingo to her faithful bingo players. They can never get enough bingo.

The Memorial Service on Friday for our dear resident Kay Buss was attended by many family and friends in the Eastern Star Home Chapel. Fellowship and refreshments followed in the nursing home dining room. Our weekend manager Elaine Jessen called bingo and lead exercises on Saturday afternoon. The movie "Mickey" was the Saturday Movie Night feature. Thank you Lila Siebrecht for leading our Sunday Worship Service. It is so nice when family members can join their loved ones to worship together.

Sunshine filled the Eastern Star Home on Monday when the Sunshine Singers from the Aberdeen came to sing for us. Our smiling residents had their toes a tappin'. So glad they took the time to share their talents with us.

Tuesday Franz Cartner joined us for Mens Table Time and next Tuesday Jerry Hansen will be our guest. This afternoon you can join us at 3:00pm for an afternoon of music with Dale Fiedler, following the reading of the Redfield Press. Check out our facebook page and stop in for a visit anytime.
