

EASTERN STAR HOME AND STAR COURT SUITE NEWS

The smell of fresh homemade blooming onions filled the Eastern Star Home Saturday afternoon. Our Assisted Living Resident Fern Schmidt's nephew Curt Ford and his wife Leslie of Mellette raised these wonderful sweet onions. It was fun to reminisce about the last time they ate one at the South Dakota State Fair. Even though we filled up on onions we still kept enough room for our special treat of broasted chicken for supper.

This week we started with Wheel of Fortune. It's a favorite game to exercise our minds. On Tuesday we played bingo with quarters as our prizes. Today we will have rosary on the patio with Father John at 9:30am. It is so nice to have him come in person before the weather gets to terribly cold. Boyden Frerick's will celebrate his birthday with cherry cheese cake this afternoon with family and friends. Tonight we will have bingo. Thursday we will tune up our vocal cords for a hymn sing in the dining room lead by our activity director Lisa Haigh. Happy Hour will be filled with snacks, beverages, conversation and lots of laughter Friday afternoon. Saturday afternoon we will play bingo and watch Lawrence Welk in the evening. Pastor Ted Price will join us on the patio for our Sunday Worship Service at 3pm.

A special thank you to the Redfield High School Art Class for decorating our windows for Homecoming. We were so excited to watch the parade as it went by. There is nothing better than our small town school spirit. "Go Pheasants!!"
