

## **EASTERN STAR HOME AND STAR COURT SUITE NEWS**

As the end of September draws near we find ourselves keeping busy with our neighbors and our friends. Monday afternoon we had several tables of King in the Corner playing. On Tuesday we played our favorite game of bingo called by Lisa Haigh. Today at 3pm we will have the rest of our music concert on the patio with Bob Styles. Last summer Sandy Woodring turned 50 and wanted to treat everyone to an evening of music with Bob Styles. Bob got the music started, we sang Happy Birthday and the thunder clouds started coming. In no time the sky was full of lightening and thunder. So with the help of all the staff we had all the residents back in the building in no time right before it started to sprinkle. That sprinkle turned into a downpour and the music was postponed till a later date. So today is the day. Thank you Bob for coming and finishing up Sandy's Birthday celebration.

Thursday we will have Fancy Fingers a fun time to visit and polish up our residents nails. On Friday afternoon we will use our skills at the game of dominos and Saturday we will have bingo at 3pm and watch a Hallmark Movie in the evening. Pastor Lorah Houser Jankord will lead our Sunday Worship and Communion Service on the patio at 3pm. Thank you Pastor Lorah for starting our week out spiritually refreshed.

Check out our Facebook page to see the October activity calendar and all the upcoming happenings.
