

Eastern Star Home & Star Court Suites

Where has the time gone? We are starting the Month of September and school will be back in session. We have enjoyed having the kids come to see their grandmas and grandpas this summer.

Ed Larsen with his Red Suspender Band brought us an enjoyable afternoon Wednesday. He comes from Watertown with his wife and dog. Friday was Happy Hour with Kayla Haigh & Stephanie Johnson as the bartenders. The Gilbert Gals and Pam Schmidt prepared and served the happy hour snacks, crock pot party mix, ham roll ups and a fruity parfait dessert. What a fun way to end the week with fellowship, snacks and beverages. Susie Christman called Bingo and lead exercises on Saturday, with the movie "One Fine Day" for movie night.

We were very blessed to have Pastor Lorah Houser Jankord and her congregation from the Tulare United Church lead us in the Sunday Morning Worship Service. It is always nice to see familiar faces we haven't seen for awhile. Thank you for making our Sunday Worship so special this busy Labor Day Weekend.

Happy Birthday to Fern Schmidt and Myrn Therkildsen as they celebrated this week. Myrn had a party on Labor Day with chicken salad sandwiches, chips and pickles with family and friends. Cleo Anderson's birthday party is September 11 at 3:00pm everyone is welcome to join her celebration. Tuesday's mens table time guest this week was Don Paulsen, and next week our guest is Franz Cartner. It is so great having them come to visit.

Following the reading of the Redfield Press today we will have music with Tom Pickles from Hitchcock. Our fingers will be busy tomorrow while we work on some wood projects for our craft table at our SD Grand Chapter Session in Pierre, October 11, 12, 13, 2018.

Deepest Sympathy to the family and friends of Katherine Buss. Her memorial service will be Friday, September 7 in the Eastern Star Home Chapel at 3:00pm.
